

BIOMETRIC VOTER REGISTRATION

REGISTER IN FIVE EASY STEPS AT ANY VOTER REGISTRATION CENTRE IN ZIMBABWE

1. Have your identity document, proof of residence and complete the registration form.

2. Submit your form, identity document and proof of residence to the Voter Registration Officer for checking.

3. The Voter Registration Officer will scan your documents and ten fingers and take your photograph. You will be asked to verify all the data captured on the screen of the Biometric Voter Registration Kit.

4. Receive a Certificate of Registration to confirm your registration. Keep your Certificate of Registration in a safe place as a record of your registration.

5. Verify your registration details through the Voter Registration Inspection Process.

Priority will be given to people with disabilities, the elderly, pregnant women and nursing mothers at Voter Registration Centres.
